**Coordinating Sponsor of One Earth Film Festival: Green Community Connections**

Green Community Connections is a deep-roots organization devoted to creating a sustainable future in the Oak Park/River Forest, IL area. We work together to build a resilient, environmentally sustainable community locally, and we strive to be an environmental leader in the greater Chicago metropolitan area.

Our mission is to develop a deeper understanding of natural systems, build community, and inspire change that promotes sustainability at the family, organizational and public policy levels.
